The Hanover is the perfect plan for those looking for a cozy home with a spacious open design. This home features 3 bedrooms and 2 baths, with a primary suite that features a walk-in closet and private bath.

With a busy life, having a cozy great room that leads into the kitchen is the perfect way to spend time with family after a long day of work. This floor plan has something for everyone and is completely customizable to create your very own dream home. The utility room is conveniently located just off the kitchen to allow you to stay connected to the main heart of the house. The Hanover features an additional room that could be made into the library you've always wanted or turned into a 4th bedroom for the growing family.
