The Fremont is the perfect home for those who love an inviting, open design with just the right amount of space. Featuring three bedrooms and two bathrooms, this thoughtfully designed layout provides both comfort and functionality.

The great room flows seamlessly into the kitchen, creating the ideal space for relaxing, entertaining, or unwinding after a long day. The kitchen is designed with upgraded cabinetry, granite countertops, stainless steel appliances, and a sleek pull-out faucet, combining both style and practicality. A conveniently located utility room just off the kitchen keeps everything within reach while maintaining a connected feel to the main living area.

The primary suite offers a private retreat, complete with a walk-in closet and an en-suite bathroom featuring a fiberglass shower, raised-height vanity, and modern finishes. An additional flex room can be customized to suit your needs—whether it's a home office, library, or even a fourth bedroom for added versatility.

Designed to adapt to your lifestyle, the Fremont offers customization options so you can make it truly your own. With stylish finishes, upgraded baseboards, and personalized interior details, this home is the perfect blend of warmth, functionality, and modern design.
