Pinehurst

Priced From

$174,990

5 Exterior Styles Available

- **1,561+ Sq. Ft.**
- **3 Bedrooms**
- **2 Bathrooms**

This beautiful home features a spacious and open layout that's perfect for families and those who love to entertain. With three cozy bedrooms and two bathrooms, you'll have plenty of space to relax and unwind after a long day. The open design seamlessly connects the family room with the kitchen, creating a warm and inviting atmosphere that's perfect for gathering with loved ones.

Whether you're hosting a family dinner or just hanging out with friends, this floor plan is perfect for you. You can customize the Pinehurst to meet your needs and create the home of your dream!

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
