This charming floor plan creates the perfect space for spending the night in and relaxing, or entertaining family and loved ones. The Tynedale offers 3 bedrooms and 2 bathrooms including a primary suite with a stunning bathroom and walk-in closet. The heart of the home is the great room with a vaulted ceiling that opens up to a beautiful kitchen and dining room. Add a covered porch to enjoy summer night grilling out with family and loved ones or create a storage space with the option to add a garage. This floor plan is customizable to meet your needs and fulfill all your dreams.
